A woman with dark hair styled in an updo, wearing a long-sleeved, floor-length, sparkling pink dress with fringe at the bottom. She is smiling and looking down at a bouquet of dried flowers she is holding. The bouquet includes dried orange and white flowers, purple flowers, and a large, fluffy, light-colored dried flower. She is standing in front of a white archway. The archway has the names 'Aulia & Akbar' written in a cursive font. The archway is decorated with hanging floral arrangements of purple, pink, and white flowers with greenery. The background is a plain white wall.
